JUNIOR PROM 1987

We could have danced all night on May 29, 1987. As the couples arrived, the music started, and our prom began. This was the social event of our junior year. It brought us together as a class and ended with long lasting memories.

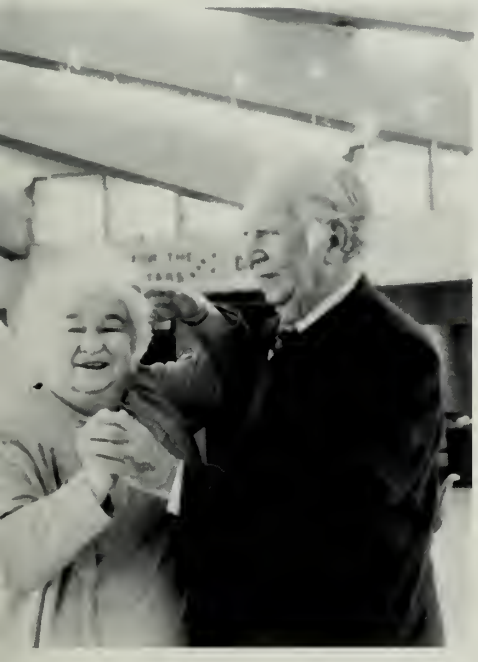
Seniors for Seniors Dinner

'87

On November 22, 1987, the class of 1988 met in North's cafeteria and prepared to spend a busy day serving a complete Thanksgiving dinner. A crowd of over 200 of Weymouth's senior citizens were entertained. It was North's 2nd annual "Seniors for Seniors Dinner."

This dinner was coordinated by a senior committee which was chaired by Jill Capodanno, Derek Petrus, and Todd Serafini, under the supervision of the class advisors, Ms. Cragin and Mrs. Pisciottoli. Following a month of preparation, the committee collected over $1,000 in funds from local businesses and individuals to sponsor the dinner.

The combination of fine food, entertainment and enthusiastic participants made it difficult for the senior citizens, as well as the class of '88, to end this annual event.



HOMECOMING '87

The 1987 Homecoming Dance, organized by the cheerleaders, was a great success. It was a festive display of school spirit and pride, enjoyed by all who attended. Thanks to Dan O'Brien for filling in for Dave Donovan who could not attend.

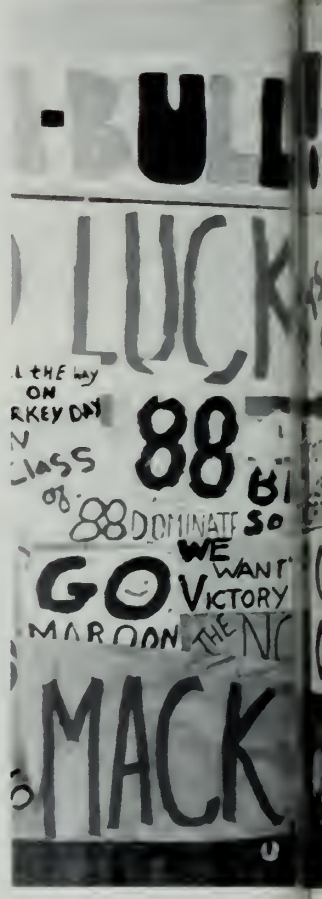
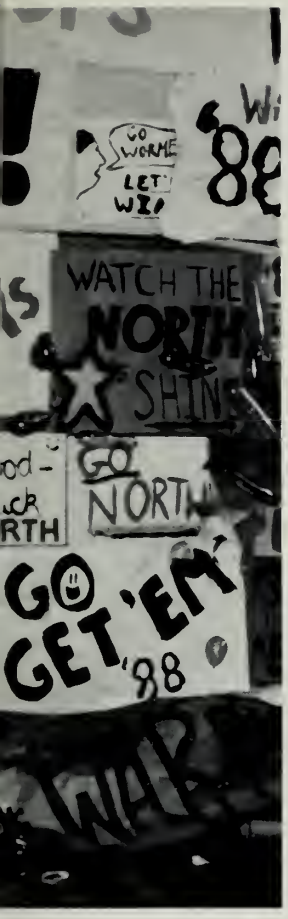
PEP RALLY



The annual pep rally was once again an adrenalin-filled day. Three weeks before the rally, each class started working on ideas with victory in their eyes. The guidelines were strict and each grades' skit had to be original. The freshmen, despite their lack of experience, performed well. The sophomores and juniors designed creative, effective skits. However, the seniors were the champions once again. They incorporated a few acrobatic flips into an exciting, narrated skit about football and a dance. All in all, the pep rally was an excellent beginning to Thanksgiving.



The tri-captains: Kevin Mackin, Mike Ware, and Charles Lees led the Old Colony League Champions to a victory against Weymouth South on 'Turkey Day.'

Yearbook Staff For The North High Section

It takes a great deal of creativity and enthusiasm to create a successful yearbook. This year's staff was made up of a handful of dedicated individuals who were determined to put together a book of special memories for the Class of 1988 to share. The staff often stayed late into the night putting finishing touches on layouts, and picking out pictures. Our staff's work week did not always end on Friday. Often, we found ourselves driving through snow on Saturdays and Sundays to finish work for a Monday deadline.

After graduation day has passed, and good friends move away, we hope this book will help bring back memories of our years at Weymouth North.

Dear 1988 Graduates:

We wish each of you a life filled with good fortune. Take the skills you have been taught throughout your high school years and put them to good use in your individual trade areas.

Take time to reflect on how you have grown from teenagers to young adults making your way now through life's trials and tribulations.

Every successful person has experienced an occasional failure; however, successful people have the ability to keep on going no matter how discouraging life may become. A positive mental attitude is the realization that there is a solution for every problem. Your self image dictates how successful you will be. The way you perceive yourself will either be a restriction or a license to achieve.

You have depended on us to educate you, now we depend on you. Your manual skills and your knowledge to work as professionals are your tools to success. Continue to develop your craft and work with confidence and pride.

Good Luck in the Future,
Your Directors and Faculty

If you can trust yourself
though others doubt you
And conquer fears that limit what you dare
So you can freely give to those about you
The skills and talents that are yours to share;
If you can live, not for your pleasure only,
But gladly lend your gentleness and grace
To warm the hearts of those whose lives are lonely
And help to make their world a better place;
If you can balance dreams with practicality
And deal in facts, but never lose ideals,
If you can be courageous when defeated
And humble in the face of victory,
Or give your best until a task's completed,
However difficult that task may be;

If you can temper facts with understanding
And seek to gently guide, not to control,
And neither be too lax nor too demanding,
But keep in mind the worth of every soul;
If you can strive, not caring who gets credit,
And work at building bridges and not walls,
Or hearing idle slander, just forget it
And never fail to help someone who falls;
If you can give your help without begrudging
The patience, time and effort you impart,
Or look at others' weakness without judging
And see, not with your eyes, but with your heart;
If you can take resources that surround you
And use them in the way you feel you should,
You'll be an adult and all those around you
Will be the richer for your Adulthood!

STUDENT COUNCIL

The 1987-88 school year promised to be productive for the Student Council. Under the leadership of President, Derek Petrus, Vice-President, Jill Capodanno, Secretary, Tammy Sepeck, Treasurer, Jay Woodward, and advisor, Mr. Murphy, a multitude of activities were organized. They included: visiting children at the South Shore Hospital on Halloween, holding a canned food drive for the needy in Weymouth, sponsoring an assembly featuring a hypnotist, participating in an exchange program with South High students and organizing a Christmas fund raiser for Weymouth's needy. North's Student Council had a dynamic year boosting school morale and helping the community.

This year, SADD celebrates the 5,000 lives saved since its inception and presses to reduce last year's figure of 1,710 deaths to under 1,000. Buttons and bumper stickers were sold and many activities were planned to keep the message visible.

AMNESTY INTERNATIONAL

The 1987-88 school year proved to be successful for Amnesty International. In its second year as a club at Weymouth North, Amnesty International doubled its membership and created an interest in foreign and political affairs in the public population. Jill Capodanno and Sylvia Pincov, under the guidance of Mr. Gnong, have coordinated Amnesty International, a non profit, non-political organization influential and often instrumental in the release of political prisoners and prisoners of conscience all over the world. The group wrote many letters this year along with raising a greater awareness of what is currently happening in our world.

"REFLECTIONS"

"Reflections" is the name of Weymouth North's student literary magazine. Student writing, including poems, essays, short stories and plays is published in a yearly publication every spring. Art work and photography are also printed in the magazine. The staff meets weekly to review student material submitted by students themselves or teachers. Staff members determine which entries will make the final grade. Once material is chosen the cut-up and paste-up begins. Students who work on the magazine are involved in all phases of its production. "Reflections" has been highly rated by judging agencies. It received a first place rating from the Columbia Scholastic Press Association as well as an All Columbian Award for concept. The Mass. Council of Teachers of English rated "Reflections" one of the top five school magazines in Massachusetts. We are proud of our accomplishments and of our hard-working staff. We envision a bright future for Weymouth North writers and artists.

This year the Weymouth North representative is Silvia Pincov. Silvia will serve as the State Attorney-General with Bonnie Perchard as her alternate. Both Silvia and Bonnie, with the assistance of Mr. DeCoste, the Student Government Day Faculty Advisor, have participated in several workshops at the State House in preparation for Student Government Day.

Special activities include: participation in the Twenty-fifth anniversary of Weymouth North High, correspondence with an American Army major in China, and a peer counseling program.

Wachusett, Mt. Monadnock and the Blue Hills. Camping trips range from overnight trips to Norwell to a five day backpacking trip through the wilderness areas of the White Mountains. Weather conditions do not affect organized trips and students are prepared to cope with outdoor problems which may occur.

Hole in the Wall

School spirit is the major theme of the school store, Hole in the Wall. The store services the entire building and stocks numerous items which display the school logo. The manager, Bill Murphy, has numerous responsibilities. They include: buying items, arranging schedules, training, firing, overseeing and pricing items. The assistant manager, Kristen Ahearn, helps the manager carry out his responsibilities. The school store provides an excellent management experience for the students involved.

School Improvement Council

The School Improvement Council is composed of students, teachers, parents, and the school principal. The students involved are Silvia Pincov, Chuck Petrie, and John Gallagher. The teachers on the council are Mr. Hallowell, Mr. De Coste and Mrs. Ford. The parents are Mrs. Akoury, Mrs. Walsh and Mr. Chapman.

The purpose of the council is to utilize the monies which are allocated to the school under Massachusetts Law, Chapter 188. This allocates the school ten dollars ($10.00) for each student enrolled. For the 1987 school year, the Council had a little over eleven thousand dollars to spend in the way of expanded services for the students and faculty.

CHEERLEADERS

This year's cheerleading squad showed great enthusiasm and determination. The cheerleaders began serious practicing during the summer. They successfully completed a professional cheerleading camp, and returned home with a trophy which they had won in competition. The squad worked during the outstanding football season and ended it with the traditional pep rally held before the Thanksgiving Day game. The squad, even though there were less members during the basketball season, maintained their spirit and energy.

Football

The 1987 Weymouth North football team became the first winning team in the school's history with a record of 8-1-1. Along with breaking many records, the Maroons always played an impressive game. In six of the ten games, the final score was determined in the final sixty seconds. There were many crowd pleasing moments. Barry Bourassa's 1000 yards season mark, Kevin Mackin's interception, and the Brennan to McBirney pass connection, all contributed to this winning season. These, combined with the effective leadership of the tri-captains, Charles Lees III, Kevin Mackin, and Mike Ware, lead the team to the first Old Colony League championship in North's history.

Girls' Cross Country

This year's girls' cross country team finished on a down note. Although expectations were great, injuries and lack of participation plagued the team throughout the season. The team was lead by senior, Janese Willy, who was consistently a first place finisher. With the return of second year coach, Todd Elwell, and junior, Dorothy Chase, the outlook for next season is a positive one.

Amy Conway, Ann Allegra, Dorothy Chase, Janese Willy.

Boys' Cross Country

The 1987 boys' cross country team had a year full of ups and downs. Unfortunately, there were more downs than ups. This did not break the spirit of the team. The enthusiasm of the two captains. Colby Geever, and Geoff Carter, helped the team against tough Old Colony League competition. Leading the team were Rob Olsen and Dave Chase, both accumulating a string of personal victories. Juniors, Eric Bennedetti, George Johns, and Mike Walsh are all looking forward to next year and a successful season.

Boys' Soccer

The boys' soccer team finished their season with a 9-6-2 record. The team was one point away from going to the Eastern Mass. State Tournament. There were records broken throughout the season. First, the team broke a defensive record for the least goals scored against them. Second, the team defeated Bridgewater-Raynham for the first time in North's history. The senior tri-captains, sweeper, Bill McEachern, stopper, John Fitzgerald and midfielder, Bill O'Connell, as well as leading scorer, Steve Murray and goal-tender, Jay Woodward, were all named to the Old Colony League All-Star Team.

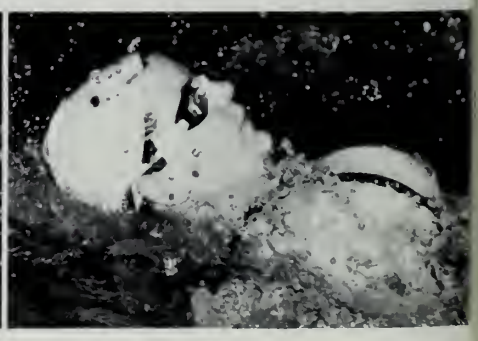
Next year's tri-captains Dorothy Chase, Karen MacDonald and Maureen MacDonald have high expectations for another winning season in "89."



Wrestling

The Weymouth North wrestling team, composed primarily of seniors, was a definite powerhouse in the Old Colony League. Though the team had a record of 10-7, one of the impressive wins was against Marshfield, who was 16-0-1 before they faced off against North.

With new coaches, Carl Pawlowski and Tom Pliett, the team was one of the favorites in the South Division 1 Sectionals. Some of the North's stars were captain, Sean O'Connell, captain, Kevin Mackin, John Daley, Kevin Barry, Dennis Malloy, Matt Feroli, Shawn McKinnon, Rick Long and Charles Lees III.

Boys' Indoor Track

The 1988 boys' indoor track team attained "a first" for North. They finished with a winning season. Senior, Bob Connors tied a school record in the fifty yard dash and senior, Colby Geever was undefeated in the 600 yard dash. Juniors, Michael Walsh, George Johns and Ken Horgan made a strong showing. The team was lead by seniors Geoff Carter, Fred Happle, Joe Hanrahan, Colby Geever, Brian Durant, and Steve Murry.

Girls' Indoor Track

The girls' indoor track team had a superb year. The team had excellent runners, shot-put throwers and high jumpers. Senior co-captains, Merideth Avery and Bonnie Perchard performed exceptionally well in the 600 yard dash and the high jump respectively. The 5'6" jump by junior, Kristen Connelly broke the school high jump record. Distance runners, Dorothy Chase and Ann Allegra, sprinters, Kristen Connelly and Sue Sullivan, and hurdler, Stacey Strong were definite team assets.

Co-captain Sean McBirney, Coach Gerry Morrelli, co-captain Chris Mazzotta

Girls' Basketball

This year's team was led by the high scoring senior co-captains, Nicki La Rocco and Janese Willy. In addition Janese led the team in rebounds and Nicki led in steals. Other major contributors included junior, Kathleen Reilly, sophomore, Kerry Rodden and freshman, Sue Mathison. The entire team displayed strong offensive and defensive efforts.

Lacrosse

The Weymouth North lacrosse team played exceptionally well this year. The North students were proud of their team's performance. Only a small percentage of a point disqualified the team from participating in the State Tournament.

Individual honors were won by David Donovan and John Daley. Each was named to the Boston Globe and Boston Herald All-Scholastic Teams. David Donovan was also named to the High School All-American Team.

The "88" team looks for the return of David Donovan, John Daley, Todd Serafini, John Fitzerald, and Dan O'Brien.

Girls' Volleyball

New coach, Donna Ruseckas, lead the girls' volleyball team to a new level. Captained by Mary Desmond, the team bumped and set their way to an uplifting season. Seniors, Lauren Joyce, Tricia Kelly and Emily MacDonald played key roles in the outstanding effort displayed by the entire squad. Hopefully, the winning attitude will carry into the 1988 season.

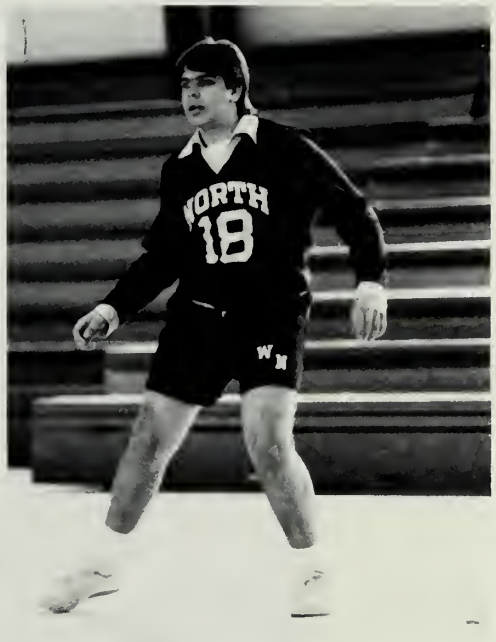
In 1987 the boys' volleyball team was formed. In their first year they were 5 and 5. They had an excellent year. All of the starters will be returning this year. We are looking forward to another great season.



Baseball

The 1987 Weymouth North baseball team did very well in their quest for the O.C.L. Championship. The team came up a victory short, but qualified for the Division 1 M.I.A.A. State Tournament. Although they were eliminated in the first round, this didn't overshadow the team's success. The players who contributed most to the successful year were Mike Marini, M.V.P. of the O.C.L., and juniors Bill O'Connell and Chris Mazzotta.

Top Row: Fred Happel, Bill O'Connell, Chris Mazzotta, Don Waldon, Jerry Thomes, Chuck Petrie, Ron Dowd, Coach Van Neste. Bottom Row: John Pennio, Chris Allen, Peter Donohoe, Mike Marini, John Breed, Brian Lynch.

The varsity softball team finished with a 10-8 record and missed going to the tournament by one win. The team was captained by Julie O'Neil (.419) and Colleen Quinn (.328). Tricia Sipola finished with 8 wins and 5 losses. Sandra Ogilvie pitched the other two wins and had a phenomenal save against Weymouth South to knock them out of first place.

Girls' Spring Track

The girls' spring track team finished the year with a 4-4 record. 1987 seniors Tracy Kavanaugh and Debbie Melville led the team in scoring, followed closely by sophomore Kristen Connolly. Prospects for 1988 appear bright, with Kristen Connolly, Kristen Boben, Jill Capodanno, Christine Cleary, Yvonne Perchard, Janese Willy, Julie Morgan, Susan Sullivan, Shannon Morse, and Kathy Stoddard all returning.

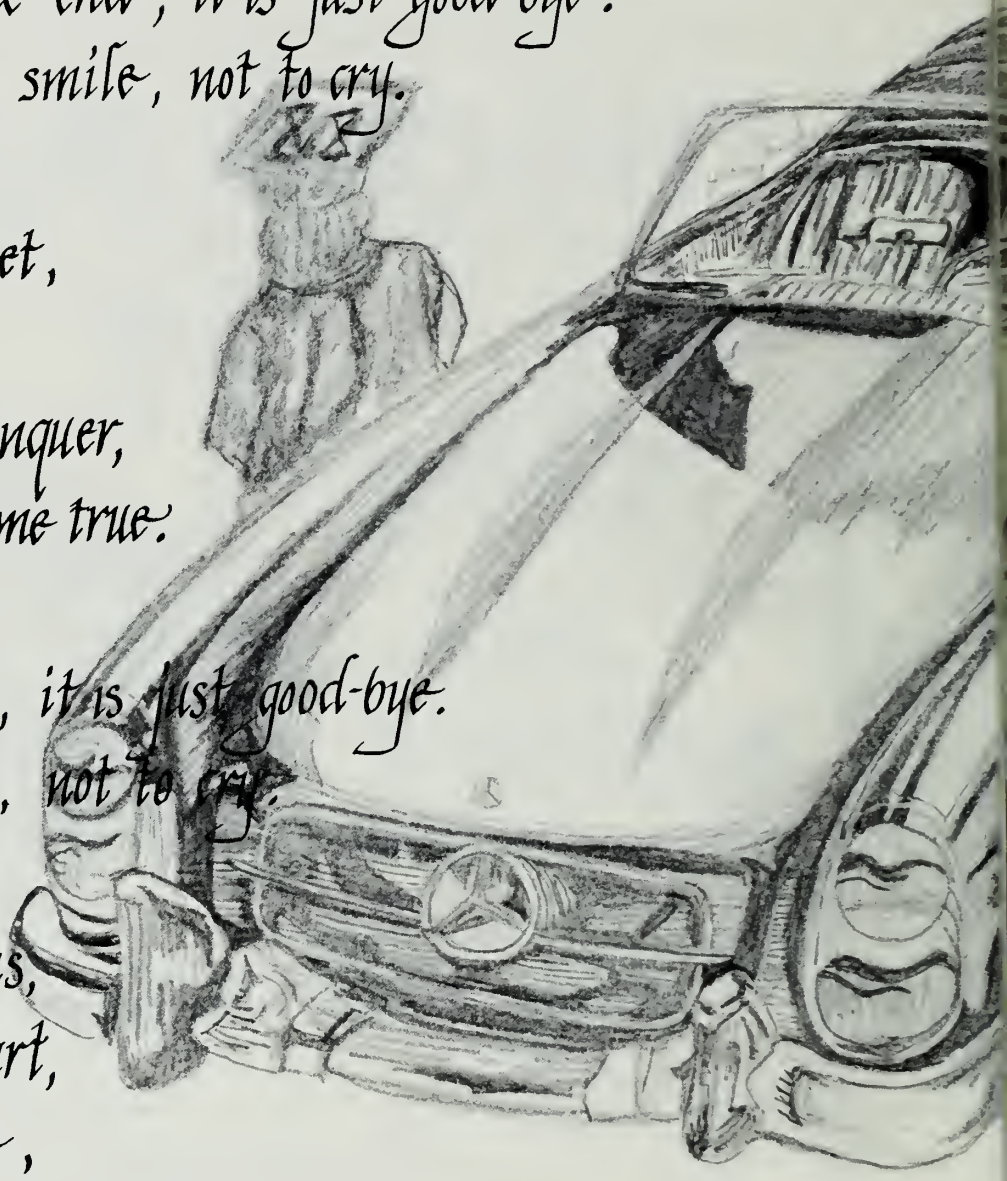
This is not the end, it is just good-bye.
It's a time to smile, not to cry.



So many people to meet,
So much work to do,
So many dreams to conquer,
So many wishes to come true.

This is not the end, it is just good-bye.
It is a time to explore, not to cry.

We'll seek new horizons,
We'll grow farther apart,
We'll learn about life,
We'll find love in our hearts.

This is not the end, it is just good-bye.
So good-bye, I say, and always cherish your
High school years as you travel to the unknown.
